Celeste and I met about six months ago on a shoot in the valley and we became instant friends. She was smart, funny and, oh so sexy, and that instantly appealed to me. In between scenes I asked if she was free after the shoot and she said she was.

I was walking through a downtown mall when this guy came up to me and asked if I was a model. I told him no, was he some sort of creep. He said "No," he's a photographer. I took off my guard and we sat on one of the benches in the middle of the mall. He pulled up his website on his oversized phone and I was impressed with what I saw. We set up a meeting at his studio and I was there about a half hour late but he was so nice about it.

Janie

He showed me more stuff including some naked pictures. Some were arty and some pretty straight forward. We shot that day, and a week later, and a week after that. And these pictures you're looking at now.

To the Editor:

Nobody around me knows, but I had lesbian sex once, thirty years ago in college with a sorority sister. I've kept it secret all these years but now I'm looking for a catharsis. I knew she was bisexual, and didn't have a problem with it. She never hit on me, so it was cool. She was hot, what people call a 'lipstick lesbian.' Very pretty, perfect figure, and very feminine.

If my memory serves me, It all came about after a night of hard partying, and we were back at the house in the living room. I had been playing touchy feely with my boyfriend at the party, but he got too drunk and we dropped him off at his place. He had his hand in my pants, and mine in his, and it ended a little prematurely. He zipped up and left me high and dry so I dropped his ass on his doorstep.

I started complaining to Monica, and when she jokingly said 'if you need a helping hand let me know.' I thought to myself, why

Dear Editor and Ms Lisa Ann,

Last week I saw your 50+ issue with that angel Lisa Ann on the cover on my neighbor's coffee table right there with his cooking and woodworking magazines. I thought it a little odd since he is only in his late twenties. I asked him about it and he said his father had brought it over because his mom didn't want it in the house. We laughed. He said he looked through it and was amazed at what he saw. He said the women were spectacular and the sex they were having was way hotter than the sex he was having. Me too, I agreed. I grabbed it and started thumbing through the pages and I saw what he meant. But Lisa Ann is a fucking babe and her photos were primo.

— Allen, Santa Monica

not? We went back to her apartment, and I was nervous and excited at the same time. She slowly undressed in front of me and then she undressed me. She had the most perfect breasts I've ever seen, round and perky, big areolas and erect nipples. She had a nice hourglass shape, her waist was tiny, her tummy flat, and her pubic hair shaven quite clean.

We stood in front of each other naked, and she reached out, cupped my breasts, and teased my nipples to erect with her thumb. I did the same to her. Monica wrapped her hands around my back, and pulled me into her. Feeling her breasts press into mine felt great, and I could feel her nipples rub against mine. She kissed my shoulder, then my lips. So different than a guy whose face can be rough, just soft skin, and I can still remember the waft of her perfume.

Yeah, it's almost all come back now. We laid on her bed, and explored each others bodies, and when I rubbed her pussy, she was

very wet. She began kissing, licking and sucking down my body, and began giving me oral. It was great. She shifted around and put her pussy in my face. Her labia were much more pronounced than mine, and much darker. I licked and sucked on her clit and pussy lips as we did a sixty-nine. I came before she did, and I finished her off with my hand, while sucking her hard nipples.

All in all, I remember enjoying it, mostly the softness of a woman's body, and her breasts, and the fact she knew how to hit my hot buttons. I stayed all night and in the morning she made the best coffee, ever.

— Stacie, Nevada

Dear Editor,

I had already received a picture of Shayla and knew that if she even looked half as good as she did in the picture then everything else would work out just fine. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her medium-sized breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling each one just enough to make her

moan for more. I couldn't wait to meet this beautiful woman in person.

We agreed to meet at a local coffee spot and see how things went from there. I got there before Shayla and was already sitting at our table when she arrived. Just like her photo, she was gorgeous. Her blonde hair just barely brushing her shoulders. The blouse was just thin enough that I could see the outline of her lacy bra underneath. When I looked in her eyes I was frozen, the deep blue just took my breath away. And her lips, oh baby, those lips, so luscious and pouty. Perfect to wrap around my thick eight inch cock, which by now was definitely waking up. What could possibly be going on at home that she was looking to hook up. I really didn't care.

When it gets dark, everyone goes inside. So we went to the park and were walking around just talking and en-

joying the night and the company when I felt Shayla tug on my arm. She looked me in the eyes and asked, "Are you nervous?" Of course my response was, "No, should I be?" Shayla then told me, "No reason. I just thought by now you might try to kiss me, at least I was hoping that you would."

Well, who was I to turn down an invitation like that? After making sure that it would be alright to kiss her, I took Shayla to the edge of the path where there was a picnic table and bench and we sat down. I then took her face in my hands and ever so slowly lowered my lips to hers. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Shayla running her hands along my back and the tops of my thighs. She was moaning from pleasure, her chest heaving, and reaching out

to grab my cock. The feel of her hand on my very hard member felt like electricity shooting through my body. I truly thought that I would cum right then and there.

I reached up and lightly felt her breasts through her shirt and bra. Shayla told me to take her shirt off, so I did. She then helped me to ease her bra off and her breasts spilled onto her chest. Not wanting to seem too over eager, I lightly brushed my lips and tongue over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her tits that I didn't at first realize that she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock.

Shayla helped me to slide my pants down around my knees and then she began to kiss and suck me through my boxer briefs. Just feeling her hot breath through my briefs was so erotic. My cock was so hard at this point that it was peeking out over the top of my waist band of my briefs. She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know

if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told Shayla not to worry, it would definitely fit.

Shayla gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying that they would like to have my cock fill their ass, so I asked Shayla, "Is that what you want?" Shayla only had eyes for my tool and was staring at it as if that was who was talking to her and she answered, "Yes, I want the whole thing." I assured her that we could try and if it got to be too much for her then we would stop.

Shayla began running her tongue all over my cock, flicking her tongue over the head. She slowly took one of my balls into her eager mouth and began sucking on it, too. She was kissing my dick from top to bottom and then she took it deep. I ran my hands through her hair and started moving my hips to the rhythm of this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying to rush up through my cock.

She must have realize that I was about to cum because

she clamped down tighter on my cock and forced the whole thing into her mouth. I called out to her that I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn't take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table, and I stood up on the bench.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things to my balls. She never missed a drop, I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out my cock and looked at Shayla. She just smiled and said, "I love to suck cock, did I forget to

tell you?" I just looked at her and smiled and said, "Now it's your turn."

Shayla said she wanted to have her pussy eaten really good but more than that she wanted to try and get my hard cock into that ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet. After helping to ease her out of her lacy thong panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickled my senses.

I slid my first finger lightly down the crack of that beautiful ass, all the while letting my spit and her juices create a lube worthy of any good ass fucking. I found the opening of her hot little brownie and let the tip slip in ever so slightly. I didn't feel any resistance so I slid it in a little more. Feeling this, Shayla pushed back against my finger causing it to slide

in even further, all the way to the last knuckle. Damn, this woman was fucking my finger and my face like there was no tomorrow.

I asked if she was ready and Shayla affirmed that she was more than ready. She said she wanted to lie on her back and put her feet up over my shoulders, that way she could play with her button while I was fucking her ass. I took my cock and ran it all over her pussy and ass, getting it good and wet. Then she took matters out of my hands and lifted her hips to meet the head of my cock. By doing this, she got it started in about a half inch.

I lifted her ass up a little higher, and buried my cock all the way in her ass. She was getting so turned on that she began to scream, telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy. She began to cum, her love juices pouring out. That's when some unwelcome headlights illuminated us and we shrunk away. All I hoped is that it wasn't her man!

A photograph of two women, Karla and Tanya, in an intimate pose. Karla, on the left, has blonde hair and is wearing a bright pink short-sleeved top. Tanya, on the right, has long brown hair and is wearing a white long-sleeved top with a pink floral pattern. They are both looking down and slightly towards each other. Karla's hand is resting on Tanya's chest, and Tanya's hand is near her face. The background is a plain white wall with a framed abstract painting in red and black lines. The overall mood is romantic and sensual.

Help us understand. What does it take for two beautiful women to find an attraction in each other? To fuck other beautiful people, of course. Why not? There's logic in that attraction.

Karla & Tanya

Let's see: If Karla likes Tanya and Tanya likes Karla, then what's to keep them from sharing a kiss, a fondle, a long slow licking of each other's pussies?

Ever since I changed my body, my whole sexual attitude has changed also. You may think it's my boobs, but no, it's my pussy. Ever since I started shaving it all off, it's been non-stop sex for me.

*The human brain is a wonderful thing.
It starts working the moment you are born,
and never stops until meet a pretty girl.*

i needed a new product, and a new fuck soho to upper east side

I TRIED TO KEEP THINGS PROFESSIONAL, BUT JUST LOOK AT HER!

I recently took a job in the Procurement Department with a large department store in NYC. Our recently remodeled offices were on the fifth floor of an old warehouse that had been remodeled just a couple blocks from the Hudson River. I was looking for some new goods to introduce to the buyers and friend of mine told me that he will ask his friend, working in Soho, who knows of some new products just hitting the markets, to call me. After noon on the next day I received a phone from a lady with a nice voice detailing me on her access. Since she knew my friend, we decided to meet at a restaurant to discuss things in more depth. We met at a nice restaurant on upper Broadway. The moment I saw her, I couldn't take my eyes off her. She commanded attention when she walked into a room.

Her name was Brandi and she was a looker. Beautiful body, pouty lips, full bosom and a round ass to bottom it all out. She was wearing dark blue suit but no blouse under the jacket. Only a pretty lace bra that would peek out at me every now and then. She had dark blonde hair that was cut full just at shoulder height. Her nails were blood

red and impeccable. No rings, I noticed. I was instantly attracted, but tried to keep my composure throughout our meeting. At the beginning of dinner, we spent many minutes getting to know each other, and by the time dinner came we had felt each other out and I think she was confident in me handling her products.

After ordering some creme brulee for dessert, Brandi changed the tone of our conversation and began asking about me. I said I had divorced my wife of ten years six months ago after I found out she was cheating on me. She said I probably spent too much time working, but I think we were probably married too young. Slowly our conversations became more personal and we started chatting over phone. One day I found myself at her house on an invitation to have lunch with her.

When I arrived, I gave her the couple bottles of wine (one white, one red since she wouldn't tell me what she was cooking). She took them and told me to follow her to the kitchen where she asked me to help her. Her attire tonight was much less rigid than our lunch. She was in a body hugging, skinny-strapped

LIVE ONE-ON-ONE

My body could feel every inch of her body touching mine. I was licking her neck, slowly going down to her boobs, navel and then to her toes, and back up to her thighs.

cami tucked firmly into her jeans. Her body was nicely proportioned and I wondered what she would look like naked, but again, I restrained my mind and focused on the dinner. I could see that she was watching me very closely and took a few opportunities to come near me. A couple times she got behind me and grabbed my arm to show me how to stir the sauce the way she wanted. The third time she put her whole body behind me and pushed rather firmly on me. She was making chicken picatta and asked me to come over and have a taste of the sauce. She thought it needed more lemon. I went over and somehow got the courage to go behind her and put my hands on her shoulders as I leaned in for a taste. She stepped back slightly pushing her butt into my crotch. I didn't know what to do.

Fortunately, for me, she turned around, gave me an erotic smile and kissed me on the lips. Her kiss and her look was so hot, my cock became a hot rod. I turned her back around on the pretense that the meal would burn. I hugged her lightly and pushed into her. I placed light kisses on her shoulders and the back of her neck. I licked her neck, earlobes, and her upper back. She leaned her head back into me and swirled her hips into my crotch again.

Brandi took the pan with the chicken and put it on a back burner and turned off the fire. She turned around and pulled me to her and started sucking my lips. We were kissing and tasting each other's tongue for five long minutes. We became very hot and the kisses became licks, bites, moans and one hand was pressing against her boobs and the other was pulling her into me

by her butt. I pulled her hair back and started licking & biting her neck. She put one hand behind my head pulling my kisses deeper into her when suddenly I felt her hand right on my cock, over my pants, giving it a good firm squeeze.

Sensing that dinner was going to waste, she asked in short breaths what I wanted to do about dinner. I told her to cover the pan and leave it there. We had about two hours before it went bad, and at this point I didn't really care.

We went to her bedroom and immediately to the bed. We started kissing again and after sometime we both became wilder and undressed our bodies and started feeling them. My body could feel every inch of her body touching mine. I was licking her neck, slowly going down to her boobs, navel and then to her toes, and back up to her thighs. She was moaning and became wetter and wetter. She then started wildly kissing, lick-

ing and biting me all over. She begged me to fuck her. I licked her upper thighs and then reached her pussy. I placed a pillow under her so that I could finger fuck her pussy while licking it. I slowly slid more fingers into her until she was not able to bear it. She was dripping her love juices and I licked her from her pussy to her anus and back to slowly biting her clit.

Brandi moaned and squirmed while I ate her, crying out as she came repeatedly. I took her to the limit of what I thought she could take, and then went past it, eating her hot pussy to my heart's delight. I stopped and moved up to kiss her. She remarked on how yummy she tasted on my lips. I lay on my back while Brandi climbs across me,

She kept clutching and squeezing me as I rammed deep into her, her pussy clamping down and milking every possible drop of cum. We finally slowed to a stop, and she turned her head so I could kiss her.

taking my hard cock into her soft hands and hot mouth. Her wet lips slid enjoyably along my stiff shaft, and I lay back and watched her as she worked enthusiastically to please me. She moved between my legs, running her tongue down my shaft and over my scrotum. She then licked her way slowly back up and took me again in her mouth. She worked her lips up and down my cock swiftly but smoothly, moving rapidly and taking more of me down her throat with each pass.

She move her fingers along my hard dick in time with her mouth, and I told her she needed to slow down or I was going to cum. She stopped to smile at me and changed her pace accordingly. She stopped before I got to a point of no return. I got up while she got onto her hands and knees. Brandi moaned as I stuffed my hard dick into her, and pushed backward as I surged forward, filling her with my erection. She groaned and squealed as I held her hips and fucked her. She wiggled her hips in ways that increased enjoyment for both of us. She found a position that ran the head of my cock along her G-spot, and panted and shook as she undulated rapidly, rubbing the hard tip of my dick along her spot.

Grinding her pelvis back into me with each thrust, she heaved her body forward and back and exploded around my stiff penis. I fucked her hard, running my hands over her warm skin as I hammered my cock into her pussy. The force of my thrusts drove her forward with each powerful stroke holding her hips and pulled her back onto me. Eventually after I'd lost count of how many times she'd cum, I pushed her forward onto her stomach, closing her legs. This position made Brandi feel even tighter on my cock and allowed me to drive myself ever deeper into her. She moaned as I fucked her hard and deep, my face mere inches from hers as I covered her with my body. Holding her tightly, I whispered about how good her pussy

felt around me. She whispered back that I could cum inside her if I wanted to. She was safe. I picked up the pace as she shrieked below me with each thrust, and then slammed forward as my climax exploded inside her.

She kept clutching and squeezing me as I rammed deep into her, her pussy clamping down and milking every possible drop of cum. We finally slowed to a stop, and she turned her head so I could kiss her. I carefully withdrew, and got up to clean up. We each got a drink and dried off, and then I joined her back in bed to kiss and hug. Several minutes passed talking about products and

sex when she suddenly gets back on her hands and knees and motions me to get back there. She raises her ass to which I place myself at her rear entrance and push forward, gently at first. Her moans become increasingly louder. My hands are at her hips for pace which is getting faster.

Her hands are desperately looking for something to grab on to so she can better reciprocate my thrusts. She finds the edge of the mattress and is able to push back. We now slam into each other. Her cries of lust are pushing me over the cliff and with a loud grown – I cum. Every shot into

her tight ass is accompanied with a deep thrust from me. When the waves of my climax subside, I pull myself out and watch her collapse onto the bed. Her moans are like angelic music coming down from the heavens. I think that this can't be the same beautiful woman I met weeks ago. The same woman that I thought I could only dream of fucking.

I look down at the heaving woman laying naked in front of me. Her figure cutting a beautiful silhouette on the bed. Still breathing hard, she looks up at me. In between deep breaths she smiles and asks, "Do you think the chicken picatta is still edible?"
